

SERAPHIC FIRE

HEALTH WAIVER

Health Waiver

By signing this, Artist certifies they understand that, as a result of the current ongoing pandemic, participation in face-to-face meetings of any kind, and specifically meetings at which singing is involved, is an activity that is potentially hazardous to their health. In addition, Artist certifies they are knowingly and voluntarily assuming all risks associated with traveling to and participating in face-to-face meetings that involve singing and understand that the risks include but are not limited to illness or death resulting from possible exposure to the COVID-19 virus during their participation. Artist assumes the risks of participation and hereby releases and discharges from any and all liability all sponsors, volunteers, and organizers of such face-to-face meetings. This release is in effect from the date of execution until such time as Federal, World Health Organization, Center for Disease Control, state, or generally accepted medical evidence advise that the risk of exposure to the COVID-19 virus during the act of face-to-face meetings involving singing has been reduced to medically acceptable levels.
